How to Give to Marriage Health

Life Unplugged and Marriage Health are the same ministry. Life Unplugged is our legal 501(c)(3) name; Marriage Health is the name we do business as. Giving platforms, United Way and donor-advised funds list us only by our legal name, so search for **Life Unplugged** or our EIN, **47-2417034**.

Workplace giving and United Way

Most employer programs (United Way, Benevity, YourCause, CyberGrants and similar) let you designate any 501(c)(3).

1. In your employer's giving portal, choose to give to a specific charity or "write in" an organization.
2. Search by EIN **47-2417034**. This is the surest way to find us, since many charities have similar names.
3. Confirm the result says **Life Unplugged**, Hardeeville, SC.
4. If the portal asks you to share your name with the charity, please say yes, so we can thank you.

Donor-advised funds

If you give through a donor-advised fund (such as Fidelity Charitable, Schwab Charitable, Vanguard Charitable or a community foundation):

1. Log in to your fund and choose to recommend a grant.
2. Search by EIN **47-2417034** and select **Life Unplugged**, Hardeeville, SC.
3. In the purpose or note field, you may write "Marriage Health."
4. Choose to share your name and address with the charity, so we can thank you.

Giving by check

Please make checks payable to **Life Unplugged** and write "Marriage Health" on the memo line. Mail to:

Let us know you gave

Gifts through employers and funds can take 1 to 3 months to reach us, and they don't always include your name. Please email **giving@marriagehealth.org** with the amount, the platform and the date, so we can watch for your gift and thank you personally.

Life Unplugged is a 501(c)(3) public charity, and gifts are tax-deductible to the extent allowed by law. Your platform's receipt serves as your tax record.
